EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Tim Pham on 07/26/2005.

The application has been amended as follows:

Claims 20-48, 51, 70-97 are canceled.

Allowable Subject Matter

2. Claims 1-19, 49-50, 52-69, 98 are allowed. Which were renumbered as 1-40, respectively.

3. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest a method for masking a foreground portion from a background portion of a digital video, the method comprising: receiving a first input defining a first border region that includes a border between a foreground portion and a background portion of a first digital image, the first digital image being one of a sequence of digital images defining a digital video, the first border region further including only a part of the foreground portion and only a part of a background portion, the border consisting of a pixels that include contributions from the foreground portion and the background portion; receiving a second input defining a second border region that includes the border in a second digital image, the second digital image
